

# CLC Summer 2020

## News & Updates

Welcome back! We are so excited to be open again! Thank you, to all of our CLC families, for your endless support throughout the Shelter in Place. You showed up for Zooms, you sent emails, left voicemails, and your unwavering support of our Teachers and Staff was felt throughout. We are glad that you are here with us!

### Dates to Remember

#### July

- 3 - Holiday - No School
- 29 - Last Day of School
- 30 & 31 - Teacher In-Service Days

#### August

- 3-7 Summer Break - School Closed
- 10 - New Student Orientation
- 11 & 12 - First Days of 2020-21 School Year

CLC's website is new and improved & up and running!

## CLC Improvements

While being closed and sheltering in place was not our favorite, it did give us an opportunity to make some updates, improvements and repairs in our school! From behind the scenes, like lighting and attic fans, to the visible like replenishing our garden and making sure that our shed and giant redwood trees can once again co-exist. Our Redwood had grown into the shed wall and roof line, placing tremendous stress on the school building itself. We've been able to reorganize and reassign some of that space for better access to all of our great supplies inside and out.

A very big THANK YOU! to Chipotle Danville for the generous donation of 'to go' containers! Our Teachers appreciate the supplies for individual play-dough, water beads, paint and so many more creative projects.

### Summer Reminders

#### Totes and Clothes

Clothes in tote bags should be labeled, weather appropriate and checked as often as possible - especially when they come home with a wardrobe change!

A change of clothes and a towel are a great addition to the daily tote as well!

#### Sunscreen

It's been HOT! Be sure to apply the first layer of sunscreen *before* coming to school. For those staying for the school day we will reapply as needed.

Do not send sunscreen in tote bags.

### What's Happening

Our Dragons, Frogs, Elephants, and Turtles have been busy meeting and creating new friendships, as well as exploring the variety of activities in all the learning areas, both inside and out!

The outdoor spaces have kept them quite engaged discovering many avenues for large motor challenges. As we're sure you noticed by now, the children have enjoyed lots of fun with all the water activities being planned.

Planning, planting and watering our garden beds has been a favorite. Impatiently waiting for all of the yummy veggies to be ready for picking!!

### Update: Fall Enrollment

We are excited to be almost full for the 2020-21 school year! We have just a few more spaces for the afternoons. We've also added an after school option, 3:30 - 5:30, to our day! There are only a few spots left.

Call or **email** Julie if you would like to add it to your schedule!

### What to expect this school year

In May 2020, CLC's Handbook Addendum was created to help guide during this pandemic. It is very fluid and may be adjusted based on the pandemic and emergency needs of CLC. It was written to help guide families with open communication. Adjustments may be made as needed due to Federal, State and County guidelines. We will follow all rules, regulations, and requirements as well as recommendations of the local, state and federal government to the best of our ability for the health and safety of children, families and staff. Click on the image shown to the left for the Summer Handbook Addendum for current reference. CLC Handbooks and an updated Handbook Addendum will be distributed to all families in August.
